

Small & Minority Business Regional Outreach Workshop

Tuesday, April 26, 2016

Zach's Community Room, 1345 Trout Brook Drive, West Hartford, CT 06117

Please join us as the University of Connecticut hosts this construction and professional services outreach workshop, in an effort to provide valuable information and assistance to Connecticut-Based and Small and Minority Business Enterprises. The workshop will provide information on opportunities for contracting and architectural/engineering services on Next Generation Connecticut (NextGen CT), a legislative initiative to invest \$1.5 billion in UCONN over the next nine (9) years.

5:30 PM
Registration & Reception

6:00 PM
Welcome & UConn Presentation

6:30 PM
Construction Manager Presentation on Upcoming Projects

7:00 – 8:00 PM
Services Access and Business Networking

Invitations have been issued to various state agencies and other resources to showcase the services that they can provide to the Connecticut and S/MBE contracting and professional services community
